Saku Hellström

IT-BUSINESS STUDENT

PROFILE

I am a final year IT-Business student. I don't have any work experience from IT yet, but in my studies I've used many different technologies and programming languages. I am a very adaptive person and I get along with all kinds of people.

EDUCATION

LAB University of Applied Sciences

8/2020 - 12/2024

Bachelor's Degree Programme in Business Information Technology

- I will graduate as a bachelor of Business IT at the end of this year.
- So far I've got 165 credits and have a GPA of 3,59

Savitaipaleen lukio

2015 - 2018

High School Diploma

- I graduated from high school in 2018.
- Diploma GPA was 7,8

WORK EXPERIENCE

Posti Group Oyj

8/2018 - 8/2022

Postal Service Worker

I worked as a postal service worker before serving in the military from 8/18 to 12/18, and after the service from 1/20 to 8/20. I've also worked summer jobs ther in 2021 and 2022.

My job included:

- Sorting mail
- Delivering mail and packages
- Customer service related to the job

Other summer jobs

2015 - 2018

Savitaipaleen Kotiseutuyhdistys, Savitaipaleen Nuorison tuki Ry, Saimaan Kuitu Oy

I've also had many different summer jobs before working at Posti. For example as a guide for a local open-air museum, customer service for an ISP and also gardening jobs like lawn mowing etc.
